Employment History

Freelance Web Design, Glowbright Studio

San Diego, Ca - December 2017 - Current

I run my own freelance web design company. I create, design, and manage websites for customers.

- Independent
- Create sites from scratch
- Design templates in spare time

Nighttime Janitorial, A1 Cleaning

Arcata, Ca - May 2017- Aug 2017

I was responsible for cleaning most the major banks within the Arcata area. I helped create a clean environment for our clients. Most of the work was done unsupervised.

- Team Leader
- Helped create a more efficient workflow
- Trained Employees

Customer Service Agent, Proflower.com

San Diego, Ca - Jan 2013 - Feb 2014

As a customer service agent I dealt with taking orders over the phone. This included helping to make decisions on what to buy as well as being helpful and courteous in all aspects.

- Promoted from part-time seasonal employee to full time
- Received multiple raises
- Employee of the month

Server, Grossmont Gardens Nursing Home

San Diego, Ca - June 2012 - Jan 2013

Served food to residents by room delivery and dining hall. Experience with food prep and handling.

- Served Food
- Prepared Food
- Dealt with irate residents in a reassuring and positive demeanor

Radio Engineer, Voice America

San Diego, Ca - December 2011 - June 2012

I dealt with hosting radio shows. I spent most of my time coordinating the schedule and sound of the show.

- 1 year experience
- In charge of show formats
- Received raises

Awards

A1 Humboldt Business of the Year

- Received a business of the year award for which I created and helped manage the website.

Scholarships

Humboldt State Special Scholarship

- Received a \$1500 scholarship for scholastic excellence in Computer Science
